

# THE HICKMAN COURIER

"THE ONE PAPER IN MOST HOMES--THE ONLY PAPER IN MANY HOMES"

VOL. LXIII.

HICKMAN, KENTUCKY, THURSDAY, OCTOBER 19, 1922.

NO. 20

## DEATH COMES TO MRS. S. B. PARKER

One of City's Best Beloved Women  
Passes Away Tuesday

The entire community was shocked on Tuesday morning to learn of the sudden death of Mrs. Sam B. Parker, one of Hickman's most beloved women, death coming suddenly and unexpectedly at 8:20. She had been in bed since Sunday suffering from a touch of rheumatism in her back but had seemed better that morning. Mrs. C. L. Walker finding her unconscious at 7:30 when she went over to see her, death coming about fifty minutes later, she never regaining consciousness.

Mrs. Parker was loved and admired by all who knew her, and her acquaintance embraced almost all the people of this community. Her long life had been a useful one and at one time or another she had come in close contact with practically all the older residents of this city, always extending comfort and help at any place where help was needed or where there was sorrow.

Mrs. Parker was born in Mississippi County, near Medley, but came to this city when a young girl, and had resided here the greater part of her life. She was married in this city fifty-five years ago to Sam B. Parker, and five years ago celebrated her golden anniversary at the home of her daughter, Mrs. C. L. Walker. As a child she became affiliated with the Presbyterian Church and was a devoted member of this church here as long as there was a minister here, since which time she has been affiliated with the First Methodist Church, but all her life had taken an active interest in all the church work of every denomination in the city, and was one of the most devoted Christian women of this city.

She is survived by three daughters, Mrs. C. L. Walker and Mrs. W. J. Barry, of Hickman, and Mrs. G. S. Harrison of Reno, Nevada, ten grandchildren and four great-grandchildren, also three sisters, Mrs. William Bright of Hickman, Mrs. Furlis of Caruthersville, and Miss Adelle Allen of Benton, La.

Funeral services were held on Wednesday afternoon at two o'clock at the home of Col. and Mrs. C. L. Walker conducted by the Rev. E. A. Tucker, of the First Methodist Church and Dr. D. E. Johnstone, rector of St. Paul's Episcopal Church, with short services at the grave. The floral offerings were many and handsome, a silent token of the love and esteem in which Mrs. Parker was held.

Too much could not be said of this splendid woman, who lived a useful and active life from beginning to end, always able to find a smile in life and always able to give a word of cheer. To the bereaved husband and family the Courier extends its heartfelt sympathy.

## 9-YEAR OLD PHILLIPPY BOY KILLED BY TRAIN

The nine year old son of Mr. and Mrs. Bud Thomas met a horrible death on last Saturday night at his home near Phillippy when he was killed on the C. M. & G. Railroad. There were no witnesses to the accident but it is thought the child was dragged by the train for a distance of one mile, horribly mangle the body. It was dark when the train pulled into that station enroute to Hickman and the child had been seen just a little while before that at the station, so it is presumed he attempted to crawl under the train to the opposite side, the train starting as he did so. His clothing must have hung to some part of the train and he was dragged. The body showed it had not been run over but had been dragged and battered. Shortly afterward when the child failed to return home his parents telephoned the C. M. & G. station here to see if he had come in on the train and when found he had not, they began a search, finding the body one mile away on the track. The next morning examination of the train here disclosed two of his teeth in the brakes.

## FALL FROM PECAN TREE KILLS AARON PROVOW

Aaron Provow, the eleven-year-old son of Mr. and Mrs. Tom Provow, residing on Bond Hill, died Saturday night as a result of a fall from a pecan tree Saturday afternoon. He with other boys were gathering pecans off a tree within sight of the back door of the Provow home and Aaron was shaking the limbs. He stepped to a rotten limb and fell a distance of thirty-five feet, crushing the back of his skull. He lived five hours but never regained consciousness. Funeral services were held on Monday afternoon with interment at the City Cemetery.

## LARGE CROWD BUYING IN HICKMAN TUESDAY

Tuesday as a Trade Day is growing more popular each week, and Rayburn Rose, who is conducting the "Buy in Hickman" campaign for the local merchants, says that banner days are to follow, and your attention is called to the misspelled double page circular next week, featuring programs for the future. Bear in mind that the Hickman merchants are authorizing Mr. Rose to make everything as attractive to you as possible to make Hickman your trading point. There isn't a town anywhere with merchants so appreciative as Hickman. Read about the big days to follow.

## SMITH & AMBERG

Incorporated

"A SAFE PLACE TO TRADE"

Many are trimmed with Wolf, Beaver, Caracul

One year	\$1.00
Six Months	.60
Three Months	.30

Before and after election majorities never look the same.

It takes a big man to acknowledge he's wrong. There are not many big men in the world.

The boys who are ambitious to become millionaires are not the ones who lie in bed till 9 o'clock in the morning.

This Turco-Greek feud is as old as time; they had been scrapping for centuries before the Irish began fighting each other. And that's a long time back.

The official population of Louisville by the 1920 census, just compiled officially, is given as 256,877, but it has been learned a family moved in from Jeffersonville since then.

To those having a meagre understanding of football the game means not much more than "Bah! bah! bah!" To those who know nothing of it at all it causes no more reaction than "Bah! bah! bah!"

A few Democratic leaders assert that it will not be best for the party to control the next national house of representatives, but from the apparent disgust of the national administration the control may be forced on them.

There are too many mines and there are some 200,000 more miners than are needed. Mr. Lewis proposes in effect to compel the public to pay wages to these surplus miners. His plan to provide them with work by reducing working hours and thus increasing cost of production will not solve the problem in the coal industry. That problem can only be solved by a drastic reorganization of the industry and it is time the government had taken steps in the direction of that solution.—Bristol Herald Courier.

Score another one for wireless telegraphy. The steamer City of Honolulu,

A close shave!  
**MENTHOLATUM**  
comforts and heals

bound from Hawaii to Los Angeles, caught fire in midocean, the flames got beyond control and the ship was doomed. But S. O. S. calls were sent out and received by four or five vessels, which immediately started to their rescue. Thus the 273 people comprising the passengers and crew were picked up in safety, where only a few years ago they would have had to take to open boats, with death by thirst or starvation staring them in the face, and slim assurance of being seen by any vessel.

Lenin and Trotsky, bolsheviks and I. W. W., Kemal Pasha and Isms and individuals that are generally hated and condemned, have their useful purposes after all. They are almost a godsend to dyspeptic editorial writers. Editor awakes with a grinch, slams things around at home and goes to office. He's in no shape to write weddings or complimentary stuff. He's sore. He's mad. But he must make copy. He must assault, maim and cripple somebody—verbally, of course. But jumping on people has limitations. He casts about for some person, principle or propaganda that an open season has been declared on, and there they are ready to hand and he sails into them. It's safe; it works the vitrol out of his system, and he becomes placid and contented. We will not say, "Long Live Trotsky, Kemal" et al, but we will say that they and their ilk have their place in the regular scheme of things.

### FIRE DESTROYS BOARDING HOUSE AT MARTIN, TENN.

Saturday morning at 3 o'clock one of the largest fires Martin has had for several years broke out in the boarding house owned and operated by Dr. Gutwood. The boarders had to flee in their night dresses, and some jumped from the second story, one being badly injured, with broken ribs and bruises, being unconscious for a few hours from the shock.

The house west of the Gatewood place, occupied by Mr. Chance, and the residence west of the wholesale grocery burned. Nothing was saved. Only partly covered by insurance. Loss, \$10,000.

At 10 o'clock the same morning fire broke out in another section of town, burning a residence before the fire department arrived. The house was occupied by Tom Adair, house and contents being destroyed.

There are 200,000 diabetics in the United States.

**THE RED CROSS SUPPLEMENTS GOVERNMENT SERVICE BY MEETING THE PARTICULAR NEEDS OF THE INDIVIDUAL EX-SERVICE MAN. THIS WORK CANNOT GO ON UNLESS YOU SUPPORT IT WITH YOUR MEMBERSHIP DOLLAR. PAY UP TODAY**

### CORNCOB SEEN AS SOURCE OF NEW INDUSTRY

Six years of persistent research at the bureau of chemistry of the Department of Agriculture has resulted in establishing the fact that a number of interesting and useful byproducts can be derived from the humble corncob. Chief among these is a colorless, oily liquid called furfural. One of its attractive possibilities is as a fuel for automobile engines and similar motors, where experiments indicate it can be used by the addition of a more volatile liquid, without modification of engine or carburetor design. This work has shown that another use of furfural would be as a cheap and satisfactory substitute for formaldehyde, as used in combination with carbolic acid in making a synthetic compound which is used for the manufacture of phonograph records, varnishes, pipe stems, parts for electrical appliances, buttons, and the like.

The equipment used and the methods of processing to obtain the fundamental derivatives, described and illustrated in the November Popular Mechanics Magazine, are relatively simple.

### No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strength tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Avoid chilly rooms in the morning by using Cole's Hot Blast Heaters. They prevent colds and sickness.

### Here's Relief

Why suffer from nervousness, insomnia, hysteria, nervous dyspepsia, nervous prostration or any ailment due to a disordered condition of the nerves?

### DR. MILES NERVINE

will give you prompt and lasting relief. It produces refreshing sleep, builds up the shattered nerves and promotes a normal distribution of nerve force.

Your Druggist Sells It. Ask Him.

### ATOM HAS 'PUNCH' SCIENTIST SAYS

Declares if Liberated Under Control, it Would Perform Work of World

By the liberation of the atom man may some day have under his control a force which will perform for him the entire work of the world, but if it gets beyond his control it may blow the earth and all its inhabitants to smithereens, Dr. Aston of Cambridge said in a lecture delivered recently before the members of the British Association. But the chances of such a catastrophe are practically negligible, he explained. Dr. Aston opened his address with a description of the infinite minuteness of the atom. "If a tiny hole were made in the side of an evacuated electric light bulb," he said, "so that the molecules of air could pass in at a rate of 1,000,000 a second it would take 100,000,000 years before the bulb was full, and there are two atoms in each molecule of air."

Dr. Aston told how Professor Rutherford had discovered that all atoms were simply different combinations of electricity. The positive particles were cemented together by the negative particles. Tables, houses, chairs, motor cars—in fact, all animate and inanimate substances, including man himself—were composed simply of electricity.

"What we know as a lump of coal," the speaker declared, "is simply an incomprehensibly large number of electrical particles clustering together. If these particles could be liberated and controlled they would provide vastly more power than would be needed to run all the machinery that man ever could devise."

"Prof. Rutherford," said Dr. Aston, "succeeded in arranging a collision between the central portions of two atoms. The result was the transmutation of the atoms into different forms of matter."

"The possibility of such transmutation on any scale is of enormous importance. If the amount of hydrogen which goes to constitute a tablespoonful of water were transmuted into helium, the energy liberated would be 200,000 kilowatt hours—one-seventh of the total amount of electricity used in London in a day for lighting and power purposes."

### Red Cross Gains Strength in All Foreign Fields

In insular possessions of the United States and in foreign lands the American Red Cross scored heavy gains during the last year, passing the previous membership high mark of 1915 by 4,291 and advancing the figure to 154,408. The Philippines take the lead, gaining nearly 100 per cent, now having 115,917 members. In Europe the 1921 Roll Call enrolled 11,125, with the Constantinople Chapter reporting 603, a gain of 33 members. China was 1,782 members, a gain of 566; the little Virgin Islands have 1,000, while the Dominican Republic with 2,927 advanced from its previous high mark by 1,423 new members. Haiti, organized in 1920, now has nearly 1,000 enrolled. Mexico reports 354, a gain of 327 in one year. The American Red Cross has spread its membership over some 70 foreign lands and its Junior membership outside of the United States is close to 700,000.

### Red Cross Water First Aid Makes Life-Saving Gain

More than 325 Chapters engaged in life saving or water first aid last year with the result that the American Red Cross Life Saving Corps has set a new high mark for enrollment and the number of qualified life savers developed. The influence of "learn to swim week" in many localities is reducing the water fatalities through instruction and the wider dissemination of resuscitation methods demonstrated by the Red Cross representatives. Excellent work has been done in teaching a large part of the American population how to take care of itself in the water. Growing appreciation for this Red Cross Life-Saving Service is shown by the compulsory instruction adopted in many cities for members of the police and fire departments in the prone pressure method of resuscitation.

**Help to Help Others**  
You can't "give until it hurts"—for giving an American dollar to join the American Red Cross helps you to help others who are hurt and who need relief.

### TRULY SAID, SIR!

"There is very little interest in the race in this district," F. H. McCain of Mayfield, Barkley's Republican opponent for Congress, said in an interview. "The district is Democratic, as every one knows, and I do not expect it to go Republican next month. Because of these things I do not think it is necessary for me to make a statement."

### Habitual Constipation Cured in 14 to 21 Days

**LAX-FOS WITH PEPSIN** is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and is Very Pleasant to Take. 70c per bottle.

The Japanese have made heavy loans to China and Chinese firms.

A million men have turned to One Eleven Cigarettes—a firm verdict for superior quality.

**"111"**  
cigarettes

15 for 10c

The American Tobacco Co.

### AGENT APPOINTED TO SUCCEED CUNNINGHAM

The College of Agriculture, recognizing the fact that County Agent Cunningham left much work uncompleted upon his resignation, has detailed H. L. Martin to act as county agent during the remainder of the year. He comes here without expense to the county, the College of Agriculture feeling that Mr. Cunningham had started many important projects that should be carried through. Mr. Martin has been assistant county agent in LaRue county and is well qualified to carry out the work left by the former agent.

Mr. Martin has already arrived in Fulton and will make his headquarters here at the Commercial Club instead of at Hickman. He took part in the organization of the barley pool and is familiar with the methods used in that campaign. He will render good service here during the closing period of the dark tobacco pool, and Fulton will be glad to have him in the campaign.

Permanent arrangements for a county agent will probably be made late in the year. In the meantime Mr. Martin will go right ahead with the work that was started by Mr. Cunningham.—Fulton Leader.

A. J. Hinziker went to the fair at Huntington, Tenn., last week. While there he looked up old friends and took a slant at Huntington's 32-piece band, helping them play program now and then.

Grade crossing accidents have increased during 1922.

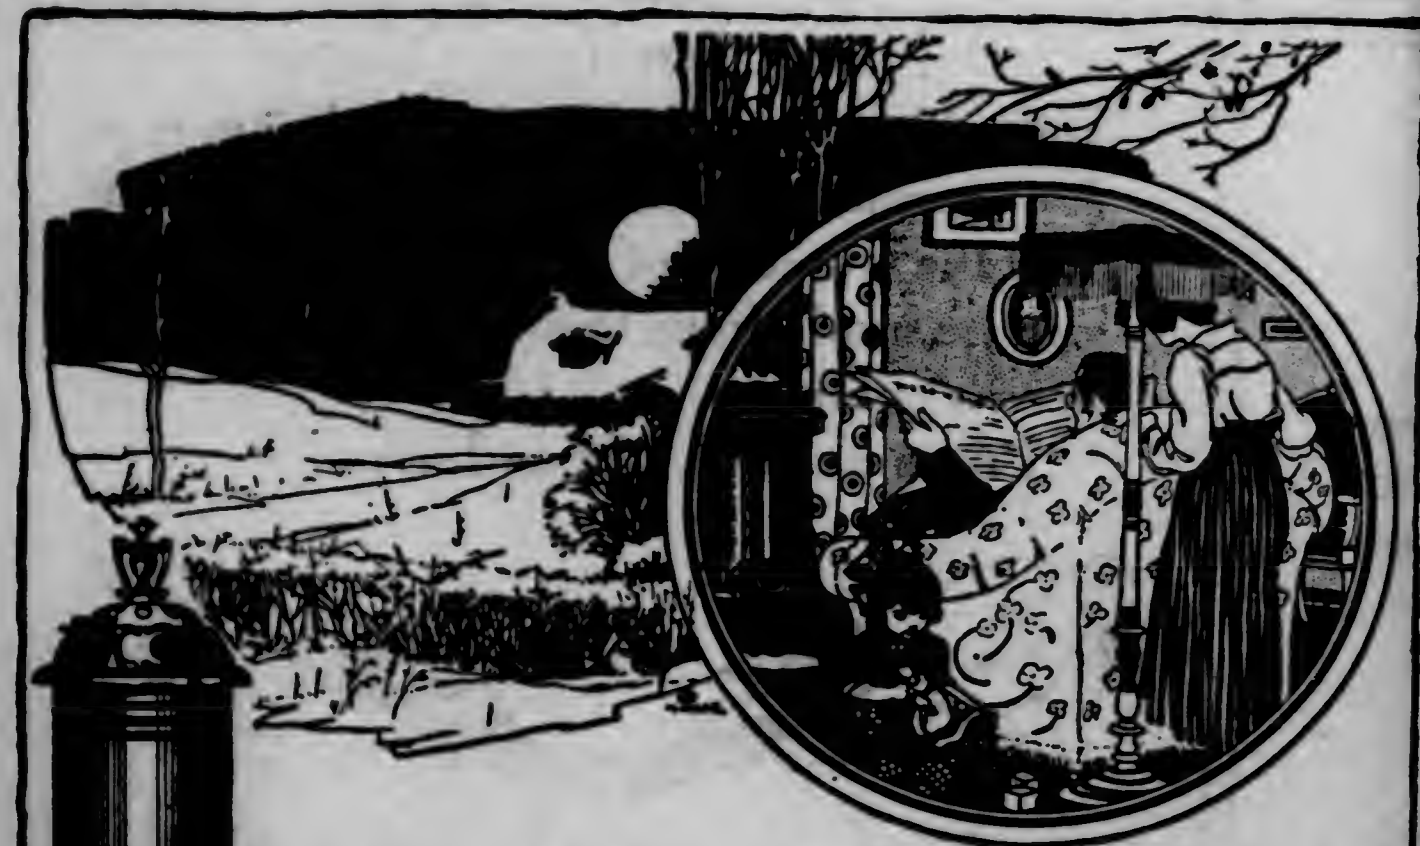

The pay of maintenance of way men employed by the railroads of the country has been raised 2 cents an hour. Track laborers and all common laborers constitute the largest single class benefiting by the wage increase.

### ASPIRIN

Say "Bayer" and Insist!

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe for millions for Colds, Headache, Toothache, Lumbago, Earache, Rheumatism, Neuralgia, Pain, Pain. Accept only "Bayer" package which contains proper directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.

Among the other court proceedings, Nellie Ballow Corum was granted a divorce from Henry Corum of this city. Non support was given as grounds for divorce.

Mrs. Margaret Scroggins of Union City, visited here the first of the week with her sister, Mrs. I. D. Price.

### ABOUT LIMIT IN EFFICIENCY

Canadian Inventor's Device Provides Power Which Even the Oldest Person May Generate.

Efficiency experts have long lamented the waste of energy involved when a dog wags its tail. They should be pleased with a remarkable invention of J. T. Lemire of Maskinonge, Can. His invention would appeal even more to lazy men than to efficiency experts. It consists of a machine actuated by a rocking-chair which generates enough power to run washing machines, sewing machines, electric fans, etc. A factory to manufacture this device will be built at Sorel, Quebec.

Lemire's invention is a pleasant transformation of the old-time treadmill. Those familiar with the law of conservation of energy will smile at it. However, rocking in a chair is more pleasant than running on a treadmill, even if the operator only imagines that he is not working.—Cleveland News-Leader.

THAT'S DIFFERENT.

She (desperately): When did you learn to dance?  
He: I didn't. I just took it up.

Historic Home Abandoned.

Harpers, the famous publishing house in Franklin square, is to abandon the ground it has held for nearly a century. Through its quaint wrought iron portals have passed the most famous writers of England and America. The firm is to occupy new quarters at Camden, N. J. If ever a spot in old New York could echo with the footsteps of countless vanished celebrities as did the ancient street corner in the "Tale of Two Cities" with the phantom feet of an unseen mob, that spot would be the doorway of the old Harper publishing house. The official title of the firm was and is "Harper & Bros." Some persons asked one which was Harper. "Any one of us is Harper and the other two are the brothers," was the reply.—New York World.

Newest and noblest oxfords and straps and slippers in satin and patent leather with brocade quarters. Real shoes.—Rice's Shoe Store.

### CRUTCHFIELD NOTES.

John R. Veatch, 86 years of age, died suddenly at his home near Crutchfield, Wednesday, Oct. 11. Death was caused by the infirmities of old age. Since the age of 16 years he has been a faithful member of the Methodist Church. He leaves to mourn for him a wife and eight children, besides a host of relatives and friends. May they be comforted by God's blessings.

Iowa's hogs returned 25 to 75 cents a bushel on corn fed in 1921.

Lexie Rice has returned from Muskegon, Mich.

Daily Thought.

Liberty exists in proportion to wholesale restraint.—Daniel Webster.

### Striking New Red Cross Poster

Riveting the attention of the beholder on the fact that the American Red Cross is chartered by Congress as an official volunteer relief organization the dome of the Capitol at Washington, upon which is superimposed a large Red Cross, is the central figure of a new poster for the Annual Red Cross Roll Call. The poster, which has been pronounced one of the most striking of innumerable representations of the famous dome, is the work of Franklin Booth, a New York artist of wide renown. It will be displayed throughout the country during the Roll Call period, Armistice Day to Thanksgiving, when the Red Cross membership for 1923 will be enrolled.

Unnecessary.

A congregation of negroes was used to hearing sermons that harped continually on hell and eternal punishment. One hot summer day the preacher made no mention of hell. One of the congregation asked him why he had omitted it. "Everything in season," he replied. "De thalmonometah wuz at ninety-fall while I wuz a-preachin' dat sthomon. Hell spoke for itself, I reckon."

Put It in Writing.

Agreements made by word of mouth are like leaves of the forest. They fade out, drop off and blow away. Make a couple of copies of any contract you enter into. Keep one yourself and give the party of the second part another and lay the third away in your safe, with your most valuable papers.—Cleveland News-Leader.

### MRS. H. W. WHIPPLE DEAD.

Mrs. H. W. Whipple died at her home on Troy Road, Wednesday afternoon at about 1:30. She had been ill for several months of tuberculosis. We will have a more extended account of her death next week.

### Expression Traced to Gaelic.

The expression "son of a gun" is quite common in South Wales. It is thought by some that the word "gun" is derived from the original Gaelic "gunna", (modern Welsh "gun"), meaning a bowl; if so, the expression "son of a gun" is a fragment of old Celtic mythology, the bowl or cauldron in both Irish and Welsh mythology being the source of and origin of am- bryotic life.

Medicine Hat Gasoline Rain.  
A well that spouts gasoline from the earth like a cloud of steam was recently struck in the Many Island district in Canada, 25 miles northeast of Medicine Hat. Chemical and Metallurgical Engineering describes the rush which followed the discovery in which people stood all night before the Dominion land office to be the first to file leases in the morning.

The well is a natural gas drilling and the gasoline with which the gas is "wet" is not of commercial significance, as it is only a temporary condition. However, it is said that several owners of "diggers" were quick to seize the opportunity to lay in a few weeks' supply of gas by holding out their hats. From an industrial standpoint, the recent development in the natural gas and oil fields in Canada are of great importance.

### Japanese Interpret Films.

In all motion picture theaters in Japan there is always a speaker who dramatically explains each picture, because the English words shown on the screen are unintelligible to the au-

### ANNOUNCEMENT SOCIAL.

Last Friday evening at the home of Mrs. S. J. Blakemore, Miss Swan Naylor entertained in honor of Mrs. Roy S. West, whose marriage was announced. The first part of the evening was devoted to Five Hundred. Every one seemed so interested until about ten o'clock the hostess received a telegram from Cupid announcing the marriage of Miss Lillian Naylor and Mr. Roy S. West on September 23rd at Clinton, Ky., so the card games were broken up and every one rushed to extend congratulations. At eleven o'clock refreshments were served, consisting of brick cream, yellow with pink wedding bells, and angel cake with yellow icing. Small hand-painted baskets of candy holding a Cupid were given as favors. Mrs. West was presented with a beautiful corsage of roses while each guest was given a rose bud. The bride threw her corsage from the stair case and Miss Elizabeth Browning was successful in catching it. Shortly after Miss. Alib Adams played Mendelssohn's Wedding March and the guests made the bride go through a mock ceremony, after which showers of rice began to fall, which added much to the merriment of the evening. The guests departed at a late hour, declaring a wonderful evening and showering the bride with all good wishes.—Cynthiansville Democrat-Argus.

### ACCIDENT AT MENGEL PLANT

Mrs. Ivy Davis, wife of Vester Davis, had a serious and painful accident on last Friday when she got her right leg broken in two places at the veneer mill where she was working. She was resting for a minute and had her foot on a block when her foot slipped and went over into a belt and cog. Luckily she had on slippers, the slipper landing in the cog and pulling off. Had she had on shoes the leg would have no doubt been mangled. Besides breaking both bones just above the ankle, her leg was seriously bruised. Drs. Prather and Morrison set the broken limb.

Dr. H. E. Prather, attended the medical Convention in Paducah Tuesday. C. M. Walts was in Louisville on Thursday of last week.

Miss Mary Moore went to Louisville on last Thursday, together with the young ladies from several offices of the Kentucky Utilities Co.

### DEATH AT FULTON.

Miss Lou Taylor, aged 80, died in Fulton Saturday. She was a native of Dukedom and had lived many years in Fulton, where she was a member of the Christian Church. For the past seven years deceased had made her home with her niece, Mrs. Royster. She is survived by two brothers, Mike and Henry Taylor.

### CURIOS FOCUSING OF SOUNDS

But the Explanation of Existence of "Whispering Galleries" is in the Main Simple.

The curious focusing of sounds in whispering galleries, such as the domes of St. Paul's cathedral and the capitol at Washington, is a phenomenon of much interest and impressiveness. The late Lord Rayleigh obtained evidence that the sound waves followed the concave surface to the point of increased audibility, and when a source of directed sound sent off its waves tangentially, the greatest concentration was observed. A bird-call being used, a small obstacle near the curved wall cut off most of the effect upon a sensitive flame.

In new experiments reported to the Royal society by G. V. Roman and G. A. Sutherland, a ray of light was guided by a flexible mirror, and the reflection showed alternate bands of light and darkness. In observations with a steady source of sound at one point in the dome of St. Paul's, it was found that similar alternations of sound and comparative silence were produced at intervals of about a wave length of the sound as the ear was moved away. Very pronounced fluctuations of intensity were also noted when the observer's head was moved parallel to the curved wall, instead of radially, the effect being most marked at the side of the gallery opposite the source of sound. The sensitive flame responded to fluctuations.

### CLASSIFIED ADS

For Rent, Sale, Exchange, Etc.

FOR SALE—Carbon paper, typewriter ribbons, etc.—The Courier Office.

### Watch for the Big Circular on "Bigger Things in Hickman"

#### PROCLAMATION ISSUED BY STATE BOARD OF HEALTH

The following proclamation has been issued by the State Board of Health:

Acting under the responsibility and authority imposed upon it by law, the State Board of Health of Kentucky hereby calls the attention of the fathers and mothers and school authorities in the state to the existence of diphtheria in epidemic form in many sections of the state. Repeated warnings that this would occur have not been heeded. Parents are urged to promptly isolate all children with sore throats until seen by their family physician; teachers are requested to send home from school all children having sore throats, with a note to the parents urging that they be immediately seen by their family physician; physicians are requested to have on hand an adequate supply of antitoxin and to administer at least 10,000 units to each case seen as soon as possible. Antitoxin may be secured at reduced wholesale prices from this Board or from the depots established in

each county in the state. County boards of health are requested to arrange for an adequate supply of antitoxin for use with the intelligent at the expense of each county.

Parents with children are urged to confer with their family physician and have their children tested, and, if necessary, immunized against diphtheria, so as to avoid this danger. There were 652 children who died in 1921 with this disease. Those deaths were wholly unnecessary and ought not to have occurred, and would not if proper attention had been paid to the cases. The law requires that no child be released from quarantine until its throat has been found free from germs by a recognized laboratory. Most of these deaths were due to violation of this law and the courts of the state are requested to enforce it.

Given under our hands and seal of the Board at Louisville, this, 12th day of October, 1922.

L. L. McMurtry, President.  
A. T. McCormack, Sec.

Luncheon at the Busy Bee.

#### BORDER COUNTY NOTES

##### HICKMAN COUNTY, KY. (Hickman County Gazette)

William W. Bond, cashier of the defunct Moscow bank, was sentenced to three years in the penitentiary by a jury in Circuit Court Wednesday. Bond was convicted on a charge of embezzling \$2,000 in government bonds owned by Y. A. Milner of Crutcheville, the bonds having been left with the Moscow bank for safe keeping.

At press time Willis ("Red") Jackson was on trial on a charge of false swearing. The prosecution charges that Jackson testified before the February grand jury that he procured a whiskey prescription from Dr. Henry of Crutcheville. This Dr. Henry denied, and his records show that he had not prescribed liquor for Jackson. Jackson, testifying in his own defense, swore that he did secure a prescription from Dr. Henry, but it was made out in the name of one of the doctor's patients at Crutcheville. The defendant was corroborated by one witness on this point.

Preparations for a thorough cleanup by the present grand jury appear to be in the making. Monday morning Judge Hester impaneled the grand jury and then instructed the body to adjourn until next Monday. This step was taken mainly because of a number of criminal prosecutions that will require the presence of both Commonwealth Attorney Martin and County Attorney Evans in the court room. Also the official stenographer will be busy in trial cases this week.

Miss Sarah Wyan McConnell of Arlington returned to her home Saturday, after acting as substitute in the high school here until another teacher could be employed.

##### OBION COUNTY, TENN. (Union City Commercial)

W. J. Keele, an evangelist from Nashville, is working in Union City in the interest of his church, the Seventh Day Adventists.

Officers corralled a bunch of boys on Wednesday night for breaking open a car and carrying away a lot of bananas belonging to the Cash Grocery Co. Aged from 10 to 18, required two courts to handle the cases, Judge Bratton for the older ones and Judge Waddell for the juveniles.

Messrs. Roy McAnulty and T. M. Fattrell of Bolivar spent the week in Union City and while here closed a trade whereby they become the owners of the Union City Lumber Co., buying same from T. R. Reynolds.

A quiet marriage occurred at the Baptist parsonage last Saturday even-

ing, Rev. Martin officiating, when Geo. Heppner and Miss Essie Escue were united in marriage. The bride is the daughter of Mr. and Mrs. James A. Escue and is quite popular among the young society people of the city. Mr. Heppner is associated with the Sutherland Tailoring Co.

Darrell Legg and Miss Minnie Alexander, both of Fulton, were married at the Methodist parsonage Friday evening, October 6, at 7:30, by Rev. Mathis.

T. L. Metcalf came over from Hopkinsville Monday for a short business stay. By appointment he met W. L. Scott and J. Willis Williams of Crutcheville and closed a deal whereby these young gentlemen become the owners of the laundry plant in this city.

Great interest is being manifested in the union revival being held by Dr. Claude E. Hill of Chattanooga at the Cumberland Presbyterian church. No meeting held in Union City for a great many years has attracted so much attention.

On last Friday afternoon the Union City High School football team defeated the Newbern High School by the score of 31 to 0.

The local Lions Club is hot on the trail of the Brown Shoe Co.'s branch plant, and they are confident of winning. Several meetings here have been held and various plans discussed.

Marriage Licenses: George Heppner and Essie Escue, Embury Crittenden and Nellie Evans, Dave Hicks and Ruby McGuire, Arch Higgs and Cora Treece, John Legg and Dorothy Welts.

##### MISSISSIPPI COUNTY, MO. (Charleston Enterprise-Courier)

Vince Halter, son of M. H. Halter, who lives on the concrete road about two miles east of Wyatt, sustained cuts about the head and various bruises on Saturday afternoon in a collision between a car he was driving and one owned and driven by Fred Belt, a negro, residing at Cronos. Both cars were badly damaged by the impact.

Judge Kelly of this circuit was enjoined by the Supreme Court from proceeding with the Three States Land & Lumber Co. case until same can be heard on its merits in the Appellate Court. The injunction is only temporary, and is returnable next Monday.

According to the Sikeston Standard's estimates, there will be 6,000 or 8,000 acres planted to cotton in that vicinity and two cotton gins erected in time for the next crop.

Hugh McPheeters was elected president of the Mississippi County Farm Bureau; C. E. French, vice president, and C. E. Sackrey, secretary-treasurer, at the annual meeting and picnic of the organization held Thursday at the city park.

Through the consummation of a

three-cornered deal Friday between William A. Burns, C. E. Berry of Clinton, Ky., and Max Friedman of East Prairie, the business and good will of the Burns Dry Goods Co. was bought by Mr. Friedman, who assumed charge of the business at once.

The following cases have been disposed of in Circuit Court: L. L. Duke, charged with assault with intent to kill, \$100 fine and four months in jail; Charlie James and Frank Baker, stealing corn, James and Frank plead guilty, fined \$25; W. DeVoull and Mrs. W. DeVoull, violation of prohibition law, death of former shown, dismissed as to Mrs. DeVoull; Jesse Hurley, violating prohibition law, \$100 fine; A. H. Bush, driving car while intoxicated, fined \$25 and 30 days in jail, jail sentence stayed; George Carter, violating prohibition law, fined \$100.

#### Red Cross Roll Call Heard World Around

The Annual Roll Call of the American Red Cross for registration of the membership for 1923 will begin on Armistice Day, November 11, and close on Thanksgiving Day, November 30. The ground work for this stupendous task of re-enrolling the membership throughout the world has been laid in a plan for the first complete and comprehensive system of registration of the Red Cross membership in all its 3,300 active chapters at home and abroad.

An important feature of the round-the-world Roll Call campaign will be a universal effort to re-enlist the service of war-time Red Cross workers in the peace program by their participation in the Roll Call. In this way the vast army of volunteers will once more affiliate with the work of the Red Cross in its manifold phases. Cooperation also has been assured by Government and private maritime interests in a deep-sea Roll Call that is designed to reach every member or potential member in every part of the world who may be en voyage or temporarily in any port.

Thousands of chapters will adopt the home canvass plan of enrollment which originated in Pittsburgh, where last year it resulted in a membership increase of 50 per cent. All records in this year's campaign will be kept on standard size cards to be filed by each chapter for future use.

#### AMENDED KIPLING

When a wild and pop-eyed driver Shoots his auto down a street, He can make the public step about On light and nimble feet; He can make the bravest tremble, He can make the boldest quail, But they say the female driver Is more deadly than the male.

—Stolen.

You never get the full meaning of efficiency until you observe a small boy placing himself around ice cream cones. —Akron Beacon Journal.

Cleaning and pressing.—aquino.

#### Queer Feelings

"Some time ago, I was very irregular," writes Mrs. Cora Robie, of Pikeville, Ky. "I suffered a great deal, and knew I must do something for this condition. I suffered mostly with my back and a weakness in my limbs. I would have dreadful headaches. I had hot flashes and very queer feelings, and oh, how my head hurt! I read of

## CARDUI

### The Woman's Tonic

and of others, who seemed to have the same troubles I had, being benefited, so I began to use it. I found it most beneficial. I took several bottles . . . and was made so much better I didn't have any more trouble of this kind. It regulated me."

Cardui has been found very helpful in the correction of many cases of painful female disorders, such as Mrs. Robie mentions above. If you suffer as she did, take Cardui—a purely vegetable, medicinal tonic, in use for more than 40 years. It should help you.

## CAYCE NEWS

Interesting Items by The Courier's Special Correspondent.

Miss Rebecca Ashell and Elmer Little, her drove over to Union City Saturday and were married by Rev. Baker. Mr. and Mrs. Charley Roper, entertained with a dinner for them Sunday.

Mrs. Rob Johnson and little daughter, Mary Evelyn, went to St. Louis Saturday to join Rob Johnson, who has been there for some time. They will make their home there for a while.

Mrs. Mary Whippley is here visiting her mother, Mrs. S. E. Johnson. Four of our last year graduates are off at school. Miss Maudie Seavey is at Cleveland, Tenn. Miss Clarice Bonbrant, at St. Louis, taking music, and Misses Alla Mai and Putti Mai Sugg are at Bowling Green.

Miss Louise Meneses and Clyde Linden were united in marriage since our last writing.

Mr. and Mrs. J. F. McClellan, Mrs. Fanny Jones, Mrs. Eliza Wall and Miss Allie Thomas went to Bonbrant Sunday to hear "Wild Bill" Evans preach. Four families moved Monday. Charley Fisher moved to the section house, Arthur Allen moved to Harry Tucker's, Arthur Burns moved to Fred Harpole's house and he moved to Sam Johnson's house. It was like the old game "cabbage all."

Three of the men putting up the high tension wire from Fulton to Hickman, are staying with Mrs. E. A. Mayfield. We are sorry to say the line does not come by Cayce.

Miss Ruby Campbell, who has been sick for some time at the home of her aunt, Mrs. J. W. Naylor, is slowly improving.

Mr. and Mrs. Claud Freeman and Mrs. Lon Jones of Fulton, spent Sunday with Mr. and Mrs. Brunsford Attebery.

Miss Nina Klinebro and Clara Carr spent Saturday with Mrs. Louise Linder of near Hickman.

Mr. and Mrs. J. F. McClellan, Mr. and Mrs. A. W. McClellan and Miss Fanny Jones and Mrs. A. W. Fowler went fishing below Hickman Saturday. Mrs. Joe Allen spent the week-end with relatives at Gardner.

Mr. and Mrs. Talmadge Corum entertained with a six o'clock dinner Tuesday evening. Those present were Mr. and Mrs. Elmer Little, Mr. and Mrs. Charley Roper, Miss Maymie Ashell and Willie Seavey.

The Baptist meeting is in progress. Rev. Brane is in charge.

Miss Mary Jessup of Union City, is visiting Eva Johnson.

The play "A Womanless Wedding," which was given Friday night at the school building, by Mrs. Penick, of Union City, was quite a success.

Lunches at the Busy Bee.

## Greatest Mother Summons Her Children

An allegorical concept of the Red Cross as a peace-time ideal is employed by the American Red Cross in a new and striking poster for its Annual Red Cross Roll Call. Spread out before the heroic size figure is the outline of the United States with a Red Cross superimposed upon it while around its borders are sketched scenes depicting the chief activities of the Red Cross today—service to disabled veterans of the World War, disaster relief and promotion of the public health. The poster is the work of Lawrence Wilbur, a New York artist and will be displayed throughout the country during the enrollment of the Red Cross membership for 1923.

## Dead Sea Stone.

On the shores of the Dead sea and west of that sea between Jerusalem and the vicinity of Nebi Musa is found a peculiar stone. The stone, which is abundant, is commonly used by the local people in making souvenirs. It is a matter of common knowledge that the Bedouins have used this stone for several years as fuel.

We are also showing a full line of stylish stout suits and dresses.

## IN HONOR OF MRS. MABRY.

Miss Mary Hollan assisted by Miss Bessie Ruth Moore, of Jackson, Tenn., and Mrs. E. E. Johnson, delightfully entertained at her home on Troy Road Monday afternoon in compliment to Mrs. C. P. Mabry, a recent bride.

Mrs. Mabry was beautifully gowned in a beaded frock of fawn color harmonized with accessories to harmonize.

Upon their arrival each guest was presented with a heart upon which they were asked to write a wish for the bride. After judging the wishes a dainty handkerchief holder was awarded to Mrs. J. Mack Reid as a prize for having the cleverest wish.

Little Miss Katherine Ruth Johnson dressed as cupid entered the living room in a tiny red auto upon which was attached a heart shaped basket containing the gifts for the bride. Little Miss Cupid presented the bride with the gifts, all of which were very beautiful, the number showing the popularity of the bride.

After the display of gifts a delicious salad course was served to the following guests: (Messieurs W. B. Ambler, K. A. Talley, E. B. Prather, Jr., Roscoe Stone, Herman Bralley, C. T. Bonbrant, Ernest Johnson, Henry Sanger, P. M. Maddox, Guy Hale, Delbert Choate, J. Mack Reid, Jessie Dillon, Dee McNell, Clarence Reynolds, Joe Engel, J. T. Stephens, Ben F. Bonbrant, E. B. Johnson, and Earl Gibson of Mayfield, and Misses Ruth Barrett, Mildred Hamage, Mary Stone, Carrie Male Reid, Esther Bartlett, Mary Moore, Bessie Ruth Moore, of Jackson, Tenn., and Dorothy Burchett, of Memphis.

## ESTRAY NOTICE.

Affiant, Lattus Bros., after having been duly sworn, state that the following described animals, to-wit: one gray horse about 8 years old, weight about 1200 pounds, and one black horse mule about 8 years old, weight about 1100 pounds, were taken up by them as strays on the premises of the Johnston Land Company, in Fulton County, about six miles west of Hickman, and that they value said animals at \$100.00 each, and Milburn White, resident and property owner of Fulton County, Kentucky being duly sworn, appraises said animals at \$100.00 each, and L. H. Nugent, Judge of Fulton County, value same at \$100.00 each, wherefore it is ordered that this notice be recorded by the County Court Clerk in a book kept for that purpose and said Clerk is directed to furnish an attested copy to the Hickman Courier for publication and to put one on the court house door. Witness my hand this 15th day of Oct., 1922.

Chas. D. Nugent, County Judge.

Attest Copy: O. C. Henry, Clerk.

20 3p.

## A CARD OF THANKS.

We, the members of the Parent-Teachers Association, wish to express our appreciation and sincere thanks to all friends for their contributions and co-operation during the Community Fair. We are most grateful to Mr. Jas. Mayes for the use of his building, to the Mengel Co. for the use of lumber, to the Union carpenters who built the booths, and to the St. Louis Furnishing Co. for the use of stoves.

Those who labored so energetically and unselfishly for the good of the cause were many, and their reward is in the consciousness that theirs was a "labor of love" given freely for the benefit of all the children of our community.

Intelligent citizens are ever ready to encourage whatever is done for the betterment of a community and we trust that our membership will increase until we become numerous and strong enough to do greater things for the school of Hickman.

Mrs. J. M. Hubbard returned last week from a several weeks' visit in Tampa and Brookport, Fla.

Mrs. O. L. Cunningham left Sunday for Asheville, N. C., where she will enter a sanitarium for several months. Mr. Cunningham left Friday for Dayton, Ohio, where he has accepted a position as County Farm Agent at a splendid salary. Mr. and Mrs. Whalen have moved into their home.

Miss Mary Medlyn of Huntington, Tenn., and Schuyler Britton of West Hickman, were quietly married on Saturday evening by Rev. Bragdon. They will make their home here.

The members of the Baptist Ladies' Aid are requested to meet at the Baptist cottage on Oct. 26th. Each member please bring a knife, fork, spoon, plate, cup and saucer.

Mr. and Mrs. R. Y. McConnell, Miss Clara McConnell and Mrs. W. T. Bonbrant attended the Missionary Meeting which has been in session at Fulton.

Mrs. W. A. Adkisson has returned from Decaturville, Tenn., where she attended the funeral of her mother, Mrs. Mary Chalk, last week.

Mr. and Mrs. Henry Helm and Mrs. B. T. Davis are spending the week in St. Louis.

DeWitt Reid and family have moved from Southern Heights to the Pollock house vacated by Cecil Roper and wife.

### RED CROSS WINNING IN FIGHT FOR HEALTH

Better, Stronger Citizenry Now Emerging Out of Work in United States.

The American Red Cross as an evangelist of better health has looked its problem square in the face. How it accepted the task revealed to it in the nation's physical condition as brought out during the World War, and conscientiously applied its activities to correction forms a vivid chapter in the forthcoming annual report. Historically and practically, nursing is a basic work for the Red Cross. In its public health nursing service, in instruction in home hygiene and care of the sick, nutrition classes, first aid and life saving courses and health centers, the American Red Cross is applying effectually the lessons learned during the war and making for a healthier, stronger and better nourished citizenry.

The task of the Red Cross Public Health nurse in the 1,240 nursing services now operating throughout the country instructing their communities in health essentials and disease prevention is demonstrating the possibilities of human betterment and the great benefits of enlightenment.

During the last year 313 new public health nursing services were established by Red Cross Chapters, and several hundred services so convincingly proved their effectiveness that they were taken over by public authorities. In order to promote this work \$30,000 was allotted to provide women to prepare themselves for public nursing. The home visits made by the 1,240 nurses aggregated nearly 1,500,000 visits to schools numbered 140,000, and in six months 1,250,000 school children were inspected by these nurses and where defects were found advised examination by physicians. In rural commu-

nities this service has made a very marked advance and has won thousands of converts to approved methods of disease prevention.

In home hygiene and care of the sick instruction, which fits the student in methods of proper care where illness is not so serious as to require professional service, the Red Cross conducted 3,884 classes during the last year, enrolled 2,356 instructors, 93,448 students and issued 42,656 certificates.

On June 30, 1922, nutrition service embraced 1,199 classes, with a total of 27,323 children and 2,589 enrolled dietitians. Seventy-eight food selection classes graduated 733 who received Red Cross certificates. In general health activities Red Cross Chapters maintained 377 health centers, serving as many communities, provided 33,751 health lectures for large audiences everywhere, while clinics numbered over 10,000.

Paul Skinner of Kansas City, Mo., was called home the first of the week on account of the illness of his father. Mr. Skinner is somewhat improved, but it still very sick.

Dr. C. W. Curllin, wife and baby attended the medical meeting at Paducah Wednesday and visited his daughter, Mrs. W. C. Reed.

Mrs. J. E. Fuqua and daughter, Miss Marguerite, spent Sunday with the former's son, Edwin Fuqua, and wife, of Union City.

Mrs. Allie Goulder and daughter, Miss Mildred, and Mrs. W. A. Johnston spent Saturday in Paducah.

Josephine Sullivan has malarial fever.

### WEST HICKMAN MEETING.

The many readers of this paper will be glad to get the following from the pastor, Rev. Mr. Banks, Evangelist William H. Evans, of Dallas, Texas, and known generally by distinction as "Wild Bill," in the far west and north and all over the Southland, is now in our city for a meeting.

He conducted a revival, and did the preaching, for the First Methodist Church, when Rev. Mr. Waters was pastor and received near two hundred members to his church before the close of this meeting.

Among these new members were to be found many of our very best citizens. At that time Dr. Hubbard, Sr., and his wife, (she coming from the Episcopal church) joined the Methodist Church, and he made a personal "love offering" to "Wild Bill," a crisp fifty dollar bill.

Hear him. You will like him. He uses no "clap-trap" methods to win men to Christ. He preaches a "full gospel" and the "second blessing" and on up to the forty-second blessing, for all those who wrangle about it on both sides of the issue.

He preaches the Bible taught holiness, without which no man can walk the "narrow way" with his feet in the path of Christian duty, with absolute faith in and obedience to Christ, until God has faith in him, like he had in Abraham.

He preaches that ignorance growing out of the fallen state of man's depravity is the cause of first denominational and next national intolerance. And that this result is hatred, personal bigotry, pride and hypocrisy. He has a patient loving toleration for all of every sect, and a Christian fellowship for the children of God in all churches, but a profound contempt for bigoted "knocker."

He is a direct descendant of the father of that quaint preacher Lorenzo Dow. Come and hear him. You will like him.

Born to Layton Reid and wife of St. Petersburg, Fla., Monday a boy. Mrs. Reid was formerly Miss Lois Bartlett, of this city.

Tuesday will be Ham Day. Don't miss a ham.

Rev. E. L. Milley is in St. Louis this week attending the Sunday School Congress.

### Junior Red Cross Praised for Work Influencing Peace

The advancing standard of the Junior American Red Cross made two outstanding gains during the last year—one in the field of domestic activity, which is rapidly linking up the schools with the Junior program, the other a gain of a dozen countries in Europe pledged to organize Juniors on the lines of the American organization. For this accomplishment the American Juniors earned the hearty endorsement of the League of Red Cross Societies for its "creation of an international spirit of human solidarity among young people with a view to preparation of a new civilization for peace."

The forthcoming annual report of the American Red Cross for the year

**Bowling is Old Diversion.**  
 Bowling once was forbidden by law. The game was originally nine-pins, and was called "closeshe," the definition being given as: "Closeshe, the game at nine-pins; forbidden by statute, anno 17 Edw. IV." The prohibition was afterward withdrawn and the game became very popular. It was once also a popular gambling game in the United States and in some states was prohibited by law. The law was evaded by adding another pin and calling it ten-pins.

Mrs. Anna Smith, of Troy, Mrs. Faris and daughter, Miss Josie Foulks, of Caruthersville, attended the funeral of Mrs. S. B. Parker Wednesday.

Tuesday will be Grocer Day in Hickman.

The Willing Workers of the Christian Church were delightfully entertained at an all day meeting on the 12th, by Mrs. M. A. McDaniel.

Mrs. Alex Barnes left last week for St. Louis, where she will spend the winter.

Mr. and Mrs. Tom French are in St. Louis this week.

ended June 30, 1922, will show 24,528 schools enrolled, with a total of 4,483,845 pupils wearing the "I Serve" button of the American Junior Red Cross—the badge of unselfish service earned by each individual member through personal sacrifice.

In international school correspondence 786 classes and schools engaged in friendly communication with 623 schools in European countries, 90 schools in United States territories, 13 in South Africa and 10 in a miscellaneous list of foreign countries. The work in foreign fields in establishing playgrounds, school libraries, sewing and manual training classes, homes for war orphans, school reconstruction in devastated areas, encouraging community gardens and many other activities was financed through the National Children's Fund raised by the Juniors at a cost of \$338,237.40. During the year \$56,922.79 was contributed toward the fund, in which on July 1 there was a balance of \$201,861.58.

Mrs. Marie Thrallkeld and children, of Osceola, Ark., are here the guests of her mother, Mrs. Peavley.

Born to Mr. and Mrs. Dan Briggs Tuesday a six pound boy. He has been named Philip Derrington.

James Mitchell, who has been working the past few weeks on The Courier, left for Clinton Saturday.

Jesse McNeill, wife and children spent Sunday with Edwin Fuqua and wife, of Union City.

Julius Frenz and sister, Miss Tilda Frenz, are visiting friends and relatives in St. Louis.

Mr. and Mrs. C. P. Mabry have returned from a wedding trip to St. Louis.

The river now and six months ago present contrasts of wide dimensions.

Mrs. I. D. Price spent Sunday with relatives in Union City.

The boll weevil has found its way into Dunklin county, Mo.

## FULTON MAN SUICIDES

John J. Shepherd, aged 61, a citizen of Fulton, committed suicide last Wednesday afternoon about 5:30, while in the barn just back of his home, by cutting his throat. His body was found about an hour later when search was made by the family and neighbors. He had evidently been dead about an hour when the body was found.

Mr. Shepherd had been employed by the Illinois Central railroad prior to the strike. Since that date he had been unable to resume his place with the railroad company, and this is said to have preyed on his mind to such an extent that he became mentally unbalanced.

How to Make and Use It By A. HYATT VERRILL  
Copyright by Harper & Brothers

### XIX. A SIMPLE VACUUM TUBE RECEIVING SET

This set is one of the simplest that can be devised to use a vacuum tube detector and it may be set up by anyone at a lower cost than the ordinary crystal sets may be purchased ready-made. Moreover, tuning in this set is simplified to the minimum, there being but two adjustments to be made, the variable condenser and the rheostat. The whole set is plainly shown in Fig. 54, A being the aerial, B the ground, C the variable condenser, D the inductance, E the grid-leak, F the fixed condenser, G the grid, H the plate of tube, I the rheostat, J the six-volt battery, K the phone receivers and L the 22 volt B-battery.

The single inductance used is easily made by winding a pasteurized tube about three inches in diameter and two inches long with about forty-six turns of No. 26 double-covered, cotton-insulated copper wire. There should be a tap-off taken at the twenty-third turn (which is done by making a loop in the wire) and then the next twenty-three turns wound on. The fixed condenser and grid leak can be made as described in the article on "condensers" and the grid-leak, for best results, should be variable, which is easily arranged by using a paper and pencil leak and by adding lines or erasing them as described under "condensers." The fixed condenser should be about .001 mfd. and the variable condenser of from .0003 to .0007 mfd. Be sure to place the phone receivers and B-battery in series, the positive pole of the battery being connected to the tap-off on the inductance and the negative pole being led to the receivers as shown. In setting up and tuning you will very likely find it necessary to take one or two turns of wire from the upper end of the coil, which is easily done. In operating this set first bring the tube filament to a point where the oscillations produce a squeal or howl with the variable condenser set at zero. Then, by moving the condenser pointer over the scale slowly and carefully, you can determine the best point to receive signals. When this is determined, adjust the rheostat until the filament oscillates and then decrease the brightness a little. With a little practice and by marking the knobs you will be able to readily adjust the set.

## REMINISCENCES

### FIFTY YEARS AGO

"Ex-President Andrew Johnson is advertised to speak at Union City today."

"H. M. Piles has raised the largest turnips grown in Fulton county this year, a great many of them weighing 15 pounds."

"Charlie Margraff, the old Hickman barber, after an absence of a year or more, has returned and again established himself in the Commercial block."

"The Hickman police made a raid on a negro bachelors' Monday morning because of certain disturbances therein Sunday night, and made a haul of some eight or ten colored youths, and the proprietress of the establishment."

The levee proposition carried by a vote of 43 to 3.

Childers & Thomas were granted tavern license by the County Court, with privilege to sell liquors at Fulton station for a term of twelve months.

"The peace of the city has been disturbed several nights by the firing of pistol shots in different parts of town at late hours by unknown parties."

The Greely-Grant presidential campaign took up a large part of the papers those days. The Courier, of course, confidently predicted, and gave figures to prove, that Greely was sure to be elected.

### TWENTY-FIVE YEARS AGO

A total of 100 deaths out of a total of less than 900 cases of yellow fever was reported at New Orleans.

"Joe Everett was killed at his home in Madrid Bend last Saturday night by a man named Moss. The affair originated over a game of craps."

"The New Madrid county jail doors are wide open and not a prisoner in the cells."

Cotton had reached the lowest price for forty years, with the exception of 1894.

"Hon. Rice Pierce is announced as a candidate for re-election to congress. It is thought he will have no Democratic opponent."

"L. M. Bushart is announced, by his friends, as a candidate for constable, and will accept, if elected."

"Elder M. F. Harmon of Nashville, Tenn., will commence a series of meetings at the Christian church next Sunday."

"John Ford and family moved to Fulton this week."

"A government dredge boat has been at work the past two weeks deepening the channel between Hickman and Medley's Landing."

"Mrs. C. H. Hubbard returned Monday from Covington, where she had been attending the State Woman's Suffrage convention."

## ADMINISTRATOR'S NOTICE

I have been appointed by the court to administer on the estate of Mrs. Bettie Moore, deceased. All holding claims against said estate must present same for payment in due form of law by October 30, 1932.

D. F. Lowe, Administrator,  
Fulton, Ky.

**Why Should He Be Surprised?**  
Culture will crop out. A Boston golf player writes to the Outlook telling how his caddy gave him a bit of a surprise. The golfer had played his ball into the rough, and they had about given it up for lost, when suddenly the youngster's eye lit upon it. Did he holier, ungrammatically: "I got it, mister"? Not this lad. Raising the ball aloft, he exclaimed triumphantly: "Mirabile dictu—it's found!"—Boston Transcript.

If some people worked for what they are worth it would be a long time between the pay days.—El Paso Times.

Holland is planning extensive electrification work.

## FARM AND HOME NEWS FROM OVER KENTUCKY

Curtis Montgomery, B. D. Parker, Gay Hulet and A. L. Cox, Carroll county farmers, are carrying on demonstrations with County Agent G. C. Rount and the extension division of the College of Agriculture at Lexington to show farmers in that part of the state the value of limestone and acid phosphate for boosting wheat yields.

Nelson county farmers are paying more attention to better houses for their poultry. County Agent C. L. Hill says. Three new houses have been recently built and plans made for several others.

More than 200 Jefferson county farmers and their wives have been taught the method of separating the laying and loafers in their flocks this fall by eighteen poultry culling demonstrations put on by County Agent F. E. Merriam.

The work of wiping out tuberculosis in McLean county cattle herds is going on with steady progress. County Agent Robert H. Ford says. Three hundred cows recently were tested in two weeks and seven reactors found.

More than 30 Union county poultry flocks already have been entered in the winter egg laying project which will be carried on over the state this coming winter by the extension division of the College of Agriculture. County Agent L. C. Brewer says. The project will be designed to show farmers how they can get more eggs from their hens by feeding them the right feeds and giving them good care.

## NOTICE

To Whom It May Concern:

Notice is hereby given that G. E. Anderson, et al, have filed their petition in the Fulton County Court asking for the establishment of a new road, beginning 100 yards from the Mac Bushart road in the lower bottom where it now intersects the Levee Road, west of the Town of Hickman and running direct south for about 1 1/2 miles to a point where it will intersect with the Dadds road, at or about W. A. Nipp's house, which latter point is to be the end of said road and which road will pass over the lands of C. T. Bondurant, J. R. Anderson, Henry Sanger, G. E. Anderson, H. G. Shaw, deceased, and Ellen Bushart; and if said road is established it will be necessary to take some of the land of each of the above named parties as shown by the report of the viewers herein by their report and plat filed in this matter and which viewers' report and the petition herein will come up for hearing on November 12, 1932, before Judge Chas. G. Nugent, at the Court House, Hickman, Kentucky, for hearing at which time the question of establishment of said proposed road will be considered and passed upon by said County Court.

Witness my hand as Clerk of the Fulton County Court, this 9th day of October, 1932.

O. C. HENRY,  
19-6\* Clerk Fulton County Court.

## YOU CAN'T TRUST CALOMEL AT ALL

It's Quicksilver, Salivates, Causes Rheumatism and Bone Decay.

The next dose of calomel you take may salivate you. It may shock your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and strengthen you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It can not be trusted any more than a leopard or a wild cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

## WARNS AGAINST AUTOS AS "HOME BREAKERS"

On Sunday afternoons on the leading automobile routes within driving distance of any good sized city, one observes long processions of automobiles tearing around the country, many running at high rates of speed, some getting smashed up. The vast number of people thus engaged shows the intense dislike of the age of quiet, and its keen desire for motion and something new.

Up to a certain point it is a healthful tendency. It gives people fresh air and needed change and may on the whole be a physical benefit. If people would indulge in such a diversion in moderation it would be wholly helpful. But when it breaks up family life and shreds pleasures and habits of reading and reflection, when it leads people to give up walking habits for health, the benefits become questionable.—Bowling Green News.

## NEWSPAPER ADVERTISING ADVISED FOR RETAILERS

Newspaper advertising as an effective means for making business profitable was advocated by Frederick P. Mann of Devils Lake, N. D., who told the Retail Merchants Association of Louisville last week that 50 per cent of the 250,000 business houses in this section were not paying because of poor business knowledge and because of lack of advertising.

Retail merchants must overcome the competition of the large mail order houses, he said, and this competition can be overcome only by advertising and practicing modern efficiency.

A large part of the \$550,000 volume of business done by stores in Devils Lake, having a population of only 5,000 was due to efficient newspaper advertising, Mr. Mann said.

## To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Groves O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

It must be part of the new symbolism of matrimony that so many wedding rings nowadays are patterned like miniature auto tires.—Boston Traveler.

"Most of our enemies," said Uncle Eben, "might have been our friends if we hadn't misunderstood each other."—Washington Star.

## \$1,441,486 A YEAR'S DISASTER RELIEF COST

Red Cross Aided 145,000 Victims in United States—Losses Total \$30,000,000.

Seventy-two disasters, with hundreds reported killed and injured, and more than 145,000 either homeless or requiring assistance, called for emergency relief measures and the expenditure of \$1,441,486.36 by the American Red Cross during the fiscal year ending June 30, 1922, according to a statement based on the forthcoming annual report of the Red Cross. The greatest toll of life was taken by hurricane and tornado, while the overflowing of rivers, the breaking of dams and torrential rains drove the greatest number of people from their homes. The property loss was estimated at more than \$20,000,000.

The year's disasters reported included twenty-six floods, nineteen tornadoes, fifteen fires, four epidemics, two theatre collapses, two shipwrecks (one in alrship), and a bridge collapse, mine explosion, railway collision, and a drought. Of the floods in the United States that at San Antonio, Texas, caused the greatest property loss, \$6,000,000 and the high mark of fatalities, 104, while the flood in the vicinity of Vicksburg and Natchez, Miss., forced 31,000 persons from their homes.

**A National Calamity**  
In the Red Cross disaster relief records there will probably remain for many years one calamity which touched nearly every state with a sense of horror and of loss. This was the distressing collapse of the roof of the Knickerbocker Theatre in Washington, D. C., resulting in ninety-six deaths and 125 persons injured. Situated in the center of the beautiful Northwest residential section, this motion picture theatre was patronized by many persons of prominence both in the official and civil life of the National Capital, whose family and personal connections radiated out over the entire country. The horror was intensified by a terrific snowstorm which, though it retarded, did not block Red Cross relief.

**Airship Crash Finds Aid at Hand**  
The crash and destruction of the U. S. Army's large airship Roma in Virginia last February with the loss of 34 officers and men and 11 injured was the first disaster of its kind to call for Red Cross relief in this country. The suddenness of the accident tested the preparedness of the organization and of the Chapter at Hampton, Va., but the response was immediate and relief furnished the survivors, also funds for the expenses of relatives of the dead, who came from long distances to claim their own.

In the year's overseas record for aid rendered by the Red Cross are two fires in the Philippines, one in Manila, which destroyed 1,000 homes, with a loss of \$1,500,000 and 5,000 persons made homeless, the other at Tonlo, which drove 3,000 from their dwellings. In medical relief that was quick and effective the smallpox epidemic in San Domingo, which had a total of 22,000 cases with 225 deaths in a single day, tested the readiness of the Red Cross for action, and the same can be said of the San Domingo hurricane, which killed 12 persons and reduced the homes of 152 persons to wreckage. A flood in San Salvador, with a death toll of 50 and 2,000 refugees, was also effectively handled by the local Chapter of the American Red Cross.

**Relief Machinery Perfected**  
The year has seen the further perfection of disaster relief administrative measures in every field of American Red Cross activity, and that the work may be carried on to still greater accomplishments the American Red Cross is appealing for widespread renewal of membership during the annual Roll Call, to be conducted this year from Armistice Day (November 11) to, and including, Thanksgiving Day (November 30).

**The Quinine That Does Not Affect the Head**  
Because of its tonic and laxative effect, LAXATIVE BRONCHO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVE, Inc.

## The Simmons "ACE"

A Bedspring of Complete Relaxation

The "ACE" is a perfect bedspring of skeletonized box-spring type.

It was primarily designed especially for Simmons Beds. By a unique extension device however, it is now adapted for use on any bedstead.

This remarkable parchment-finished spring is the finished result of many years specialization in the production of sleeping equipment and nothing else. It is built for sleep—and its very design insures this all-to-be-desired result.

It is a marvel of strength, quiet comfort and service. It supports the spine, relieves the spinal cord and nerves of all pressure and induces sound, quiet and restful sleep.

We recommend the "ACE" Spring to all customers of this store who demand the utmost in value, comfort and service. It is the best bedspring of this distinctive type we know of.

The next time you are in the neighborhood, come in and let us show you this justly famous spring.

Eyes open, heads up, for "Bigger Things to Happen in Hickman."

That scraping sound you have heard all over town this week was caused by folks getting the last remnants of coal out of their bins.

Watch for the big Misspelled Circulation.

### TO AILING WOMEN

A Little Sound Advice Will Help Many A Sufferer in Hickman.

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen, worse troubles may quickly follow. This is often the cause of bearing down pains, lameness, backache, etc. Uric poison is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pains.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Hickman woman tell of her experience:

Mrs. T. E. Mitchum says: "Doan's Kidney Pills have been a household remedy in our home for years. I have taken them with splendid results, when I have felt the need of a kidney remedy. Others in the family have also taken Doan's. I certainly know from experience they are a very reliable kidney medicine and I am glad to give them my hearty endorsement."

Price 60c., at all dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mrs. Mitchum had. Foster-Millburn Co., Buffalo, N. Y.

### WOMEN DO WELL AS EXECUTIVES

Kentucky Utilities Delegates From Three States Agree on Plan.

Women's opportunity in the public utility business and confidence in their future achievements marked a conference of women employees of the Kentucky Utilities Co. in three states, lasting throughout the day yesterday at the company headquarters, Marion E. Taylor building, Martin J. Insull, vice president of the Middle West Utilities Co., Chicago, was the chief speaker and stressed the idea that "There is no sex in ability."

Other speakers included L. B. Herrington, vice president of the Kentucky Utilities Co.; Harry Reid, president of the Interstate Public Service Co., Indianapolis; Miss R. E. McKee, assistant secretary of the Middle West Co., and Mrs. F. A. Tate, chairman of the women's public information committee of the Kentucky Utilities. Following the addresses all the men withdrew and the women, who are to be advanced in handling of utility affairs in Kentucky, Virginia and Tennessee as rapidly as ability and initiative warrants, were left to a round table discussion of suggestions made them.

The utilities company furnishes light and power to forty-six cities in the three states from which the conferees came, and formed their own committee to present to the public information regarding public utilities and to seek betterment of public sentiment toward such corporations. The idea is said to have originated with them, as in some cities practically all employees of the company are women.

"We men simply advised and then stepped aside so the women can organize their own plans and carry out their own ideas—it's a sort of housekeeping problem on a big basis, for the women usually mold public sentiment, and are public sentiment when it comes to housekeeping," Mr. Herrington said, smiling.

Mr. Insull, who is one of the leading utility operators in the United States, and nationally known as a progressive in business, was enthusiastic in explaining the new idea to the delegates. "There are able men and there are able women," he said. "Ability knows no sex. It is simply a question of the individual ability of the sexes as to the responsibilities that can be put upon them and as to classes of position they can hold."

"Woman has a better idea of service than a man can possibly have, because it has been woman's place to serve in all ages. Utilities is a business of service. I'm not one of those who believe that when God made woman for the industrial world that they were to be merely stenographers, clerks and typists. I believe they can fill much larger positions."

Mr. Insull said that one of the basic fundamentals women should be

taught is not to attempt to answer all questions or to give information on a subject on which they are not informed. Mrs. Tate urged that courtesy and education were the chief means of bettering relations between utility companies and the public. Mr. Reid outlined the growth of the company since it was founded ten years ago, when it was operating only in four cities.

Miss McKee spoke on her own observations and experience as to opportunities for business women in utilities services. Financially the opportunities are unlimited to women who are carefully trained and will make the necessary personal effort to become efficient executives, she said. During the round table discussion it was obvious that the conference had succeeded not only in stimulating considerable feminine ambition, but that the women have decided views of their own on how to manage business problems.—Louisville Herald.

### ROPER DISTRICT NEWS

Misses Lois and Hazel Mayfield of Cayce spent one night last week with Misses Charlie and Mary Noonan.

Mrs. Kate Lunsford returned last week from a visit with her niece, Mrs. Mattie Rogers, at Judsonia, Ark.

Mrs. T. N. Clark and daughter, Miss Tommie, were in Hickman shopping on Friday.

Mrs. John Stoen visited relatives in Cayce Saturday.

Mrs. Ernest Fields and baby of Hickman spent Friday night and Saturday with her parents, Mr. and Mrs. Walter Crostie.

Miss Victoria Noles of near Harmony Church spent last Thursday night with Miss Ruby Davis.

Mr. and Mrs. Richard Semones of Union City, Mr. and Mrs. T. N. Clark, Miss Tommie Clark and Mrs. Carrie Lelp motored to Paducah Sunday and spent the day with Mr. Clark's sister, Mrs. Ed Bradshaw, and family.

Mrs. Albert Roper went to Cayce on Saturday morning to spend a few hours with her daughter, Mrs. Rob Johnson, and daughter, who left that day for St. Louis, where Mr. Johnson now holds a position.

Mr. and Mrs. J. B. McGehee and children visited Mr. and Mrs. Walter Crostie Sunday.

### A TONIC

Grove's Tasteless Chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless Chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

More than 200 stage lines are operated in California.

### ESSAY CONTEST.

There will be an essay contest for the Hickman high school and graded school, as outlined by G. S. McCarter, (representing the Metropolitan Life Insurance Co.) in his address to the students and teachers at chapel exercises on Monday and Tuesday of this week in which he pointed out the importance of better health and welfare work, stating that in order to build a more healthy nation the children were the foundation on which to build. The subject for the High School students will be, "It Pays to Keep Folks Well," and the winner will be awarded a five dollar gold piece, and the subject for the graded school will be "How to be Happy and Well," the winner to be awarded a nice leather folder containing six welfare books. The winners will be announced and prizes awarded about the first of November.

### EAST INDIAN SPEAKS.

Jnanjan Niyogi of Calcutta, India, lectured to an appreciative audience at the Methodist Church last Thursday evening. The speaker is one of the leading dray of his native land and is an aggressive and tireless exponent of prohibition. His subject was "India Cursed by Strong Drink," which he handled well, his observations having been made first hand. The speaker was garbed in native costume while delivering his address.

Eyes open for the big Misspelled Circulation.

### GO TO GRAND LODGE.

W. J. McMurtry, master of the local A. F. & A. M. Lodge No. 761, and Austin Voorhees, high priest of Hickman Royal Arch Chapter No. 49, attended grand lodge and grand chapter, respectively, in Louisville this week.

Edwin Fuqua and wife visited relatives here the first of the week. Mr. Fuqua, who has been living in Union City for some time, has accepted a position on a newspaper at Granada, Miss., where he will operate a linotype machine.

Looks like the Hall murder mystery in New Jersey will have to go along with the killing of the Hollywood movie director—whose name has already been forgotten—as unsolved mysteries.

Mrs. T. G. Delph, of Atlanta, has returned home after spending last week with her parents, Nim Walker and wife.

Ben Walker and Lee Walker returned from Akron, Ohio, Saturday, where they have been working.

Watch for "Bigger Doings in Hickman."

Last Monday was Blue Monday sure enough—all the way from navy to indigo.

Sell Your Cotton in Hickman.

You don't give a hang what we say about our tailoring "stunts."

The style and stuff we actually put into the sort of suits you like to wear is the only argument that will turn your steps to our store.

It is easy to make strong claims; it's also easy to doubt them. All that we can ask of you is to come and find out that we are "making good" on the clothes we make.

It is not fair to yourself and to this shop to stay away and doubt when it is so easy to come in and find out.

If you don't know what particular type of woollens you want worked into your Winter Suit, you'll find 500 designs here to help you come to a decision. We certainly have the goods and gumption to meet your most exacting demands.

Make no decision until you see what we have lined up for your inspection.

Yours very truly—
